Peel me a grape, crush me some ice  
Skin me a peach, save the fuzz for my pillow  
Start me a smoke, talk to me nice  
You got to wine me and dine me

Don't try and train me, chow mein me  
Best way to serve me, hors d'oeuvre me  
I'm getting hungry, peel me a grape

Pop me a cork, French me a fry  
Crack me a nut, bring a bowl fulla bon-bons  
Chill me some wine, keep standing by  
Just entertain me, champagne me

Best way to cheer me, cashmere me  
Best way to smell me, Chanel me  
I'm getting hungry, peel me a grape

Here's how to be an agreeable chap  
Love me and leave me in luxury's lap  
Hop when I holler, skip when I snap  
When I say 'do it,' jump to it

Send out for Scotch, call me a cab  
Cut me a rose, make my tea with the petals  
Just hang around, pick up the tab  
Never outthink me, just mink me

Polar bear rug me, don't bug me  
New Thunderbird me, you heard me  
I'm getting hungry, peel me a grape
