When God gave out rhythm  
Sure was good to you  
You can add, subtract, multiply and divide by two

I know today's your birthday and I did not buy no rose  
But I wrote this song and instead I call it, popsicle toes

Popsicle toes  
Popsicle toes are always froze  
Popsicle toes  
You're so brave to expose all those popsicle toes

You must have been mr. olympian

With all that amplitude  
How come you always load your pentax when I am in  
the nude  
We are to have a birthday party and you can wear your  
birthday cloths  
Then we can hit the floor and go explore those popsicle  
toes

You've got the nicest north of america  
This sailor ever saw  
I like to feel your warm brazil and touch your panama  
But tierra del fuegos are nearly always froze  
We've got to seesaw until we un-thaw those popsicle  
toes
