Stop this world, let me off  
There's just too many pigs in the same trough  
There's too many buzzards sitting on the fence  
Stop this world, it's not making sense

Stop this show, hold the phone  
Better days this girl has known  
Better days so long ago  
Hold the phone, won't you stop the show

Well, it seems my little playhouse has fallen down  
I think my little ship has run aground  
I feel like I'm in the wrong place  
My state of mind is a disgrace

Won't you stop this game, deal me out I know too well  
what it's all about

I know too well that it had to be  
Stop this game well it's ruining me

Well I got too smart for my own good  
I just don't do the things I know I should  
There's bound to be some better way  
I just got one thing more to say

And that is  
Stop this game, deal me out I know too well what it's all  
about  
I know too well that it had to be  
Stop this game well it's wrecking me
