Buzzard took a monkey for a ride in the air  
Monkey thought that everything was on the square  
Buzzard tried to throw the monkey off of his back  
But the monkey turned around and said, "Hey, listen  
Jack"

"Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down, bubba, don't you blow your top"

"Ain't no use in jiving, what's the use of diving?  
Straighten up and fly right  
Cool down, bubba, don't you blow your top"

Well, the buzzard told the monkey, "You are choking  
me  
Release your hold and I will set you free"  
Monkey looked the buzzard right dead in the eye and  
said  
"Your story is so touching but it sounds just like a lie"

"So straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down, bubba, don't you blow your top"

Buzzard told the monkey, "You are choking me  
Release your hold and I will set you free"  
Monkey looked the buzzard right dead in the eye and  
said  
"Story is so touching but it sounds just like a lie"

"So straighten up, straighten up  
Straighten up, straighten up and stay right  
Straighten up and and fly right  
Cool down, bubba, don't you blow your top"
