The look of love is in your eyes  
The look, your smile can't disguise  
The look of love, it's saying so much more  
Than just words could ever say  
And what my heart has heard, well it takes my breath  
away

I can hardly wait to hold you, feel my arms around you  
How long I have waited, waited just to love you  
Now that I have found you

You've got the look of love, is on your face  
A look that time can't erase  
Be mine tonight  
Let this be just the start of so many nights like this  
Let's take a lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you  
How long I have waited, waited just to love you  
Now that I have found you, don't ever go, don't ever go  
I love you so

I can hardly wait to hold you, feel my arms around you  
How long I have waited, waited just to love you  
Now that I have found you, don't ever go, don't ever go  
Don't ever go
