Every kiss, every hug seems to  
Act just like a drug  
You're getting to be a habit with me

Let me stay in your arms  
I'm addicted to your charms  
You're getting to be a habit with me

I used to think your love was something  
That I could take or leave alone  
But now I just can't do without my supply  
I need you for my own

No, I can't break away  
I must have you every day  
As regularly as coffee or tea

You've got me in your clutches  
And I can't break free  
You're getting to be a habit with me  
Can't break it  
You're getting to be a habit with me

No, I can't break away  
I must have you every day  
As regularly as coffee or tea

You've got me in your clutches  
And I can't break free  
You're getting to be a habit with me  
Can't break it  
You're getting to be a habit with me
