You're my thrill, you do something to me
You send chills right through me when I look at you
'Cause you're my thrill

You're my thrill, how my pulse increases
I just go to pieces when I look at you
'Cause you're my thrill

Nothing seems to matter
Here's my heart on a silver platter
Where's my will? Why this strange desire?
That keeps mounting higher

When I look at you I can't keep still
You're my thrill, you know you are my thrill

Nothing seems to matter
Here's my heart on a silver platter
Where's my will? Why this strange desire?
That keeps mounting higher

When I look at you I can't keep still
You're my thrill, you know you are my thrill
