Ooh, all day long I hear my telephone ring
Friends calling giving their advice
From the boy I love I should break away
Cos heartaches he'll bring one day

I lost him once through a friend's advice
But it's not gonna happen twice
Cos all advice ever gotten me
Was many long and sleepless nights

But now he's back in my arms again
Right by my side
I got him back in my arms again
So satisfied

It's easy for friends to say let him go
But I'm the one who needs him so
It's his love that makes me strong
Without him I can't go on

This time I'll live my life at ease
Being happy loving whom I please
And each time we make romance
I'll be thankful for a second chance

Cos he's back in my arms again
Right by my side
I got him back in my arms again
So satisfied

How can Mary tell me what to do
When she lost her love so true
And Flo, she don't know
Cos the boy she loves is a Romeo

I listened once to my friends' advice
But it's not gonna happen twice
Cos all advice ever gotten me
Was many long and sleepless nights

I got him back in my arms again
Right by my side

I got him back in my arms again
So satisfied
IÂ'm satisfied
So satisfied
IÂ'm satisfied
IÂ'm satisfied
So satisfied
IÂ'm satisfied
So satisfied
