You're trying to tell me somethin'
Every time I come near
I got a feelin' the message
Is the one I don't want to hear

You can deny all you want to
But I know you enough to know
Why not come right out and say it?
You've been tryin' to let me down slow

So let's talk
Before the tears drop

You've had a change of heart
Well I guess that's up to you
I couldn't change my heart
Even if I wanted to
You've had a change of heart

Your kiss sends a message
And I detect the signs
I got enough understanding
Of a lover to realize

That you can't make him love you
Though I give you my best
You're keepin' your heart at a distance
And it breaks me up to confess

Change of heart
Well I guess that's up to you
I couldn't change my heart
Even if I wanted to

Change of heart
Baby, everyone to talk to
You've had
A change of heart

Is this just a notion
A phase that will pass
A mixed up emotion

Or is this change gonna last?
Baby let's talk
Before the tears drop

You've had a change of heart
Well I guess that's up to you
I couldn't change my heart
Even if I wanted to

Change of heart
Everyone to talk to
You've had a change of heart
Am I losing you?

Change of heart
I couldn't change, I couldn't change
Am I losin' you, losin' you?
I couldn't change my heart
You've had a change of heart
Am I losin' you?
