I must be crazy they don't know what we've done  
You are my lover  
Even though I know it's wrong  
I hear them talking  
But whatever they do  
I need to love you  
And if I love you couldn't we make it

Got someone loving me  
He won't say goodbye  
He's been so good to me  
I don't wanna make him cry  
I need you both to love me  
It's up to you  
You can help me  
You're the reason I can't decide

Breakin' my bones and shakin' my nerves  
Till I just can't see tomorrow  
Looking at him and looking at you  
And I don't know who to follow  
I'll never win in the state I'm in

It's a crime of passion, I'm bad to love you  
Whenever I'm with you, I lose control  
It's a crime of passion for me and for you  
Whatever I give you  
It's just too late to save my soul  
I need to love you  
My desperation is the power to go on  
Each night I prayed for love  
I'm at the mercy of  
And if you don't hear me now  
Then I'll be the only one

Don't wanna be, don't wanna be the only one

I saw him yesterday  
The questions he asked  
I think he knows about us  
Did we move too fast  
How can we hide it

When we know it's a lie  
Keep our love under the covers  
The pressure is too high

Why do I get myself tied up  
Why tangle with love you borrow  
I should have been known as a one man woman  
Should have been one love but oh no  
Never be a cure for the human law

It's a crime of passion, I'm bad to love you  
Whenever I'm with you, I lose control  
It's a crime of passion for me and for you  
Whatever I give you  
It's just too late to save my soul  
I need to love you  
My desperation is the power to go on  
Each night I prayed for love  
I'm at the mercy of  
And if you don't hear me now  
Then I'll be the only one  
Don't wanna be, don't wanna be the only one
