How do you live with a broken heart?  
(How do you live with a broken heart?)

Every time you come too close, I just run away  
I need you so much and that's so hard to say  
There is me and there is you and I get confused  
And sooner or later, I know that I'll have to choose

You know it's true, I'm cryin' my heart out for you  
What can I do? I'm losin' myself over you  
Over and over again, I'm cryin' my heart out for you  
No one in love likes to lose but how do you live with a  
broken heart?  
(How do you live with a broken heart?)

And I can honestly say, "I wanna be on my own"  
And that too bare existence when I was all alone  
I know you're not asking me to just live for you  
But it's always how I've loved and all I know how to do

You know it's true, I'm cryin' my heart out for you  
What can I do? I'm losin' myself over you  
Over and over again, I'm cryin' my heart out for you  
No one in love likes to lose but how do you live with a  
broken heart?  
(How do you live with a broken heart?)

Once again I'm falling in love like a fool  
I'm falling in love and I don't know what I'm doing  
Once again it's somebody else that I need  
I'm losing myself and I'm scared of what I'm feeling

It's true, I'm cryin' my heart out for you  
What can I do? I'm losing myself over you  
Over and over again, I'm cryin' my heart out for you  
No one in love likes to lose

Once again I'm falling in love like a fool  
I'm falling in love and I don't know what I'm doing,  
doing  
Once again it's somebody else that I need  
I'm losing myself and I'm scared of what I'm feeling

About you, I'm cryin' my heart out for you  
What can I do? I'm losin' myself over you  
Over and over again, I'm cryin' my heart out for you

What can I do?  
(Over and over again, I'm cryin' my heart out for you)  
Over and over again, I'm losin' myself over you  
You know it's true, I'm cryin' my heart out for you  
(Over and over again)
