We've been goin' through the motions
There's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line

Play the game, everything stays the same
A masquerade only ourselves to blame

Love taken for granted fades each passing day
We need more affection
I don't want to let you slip away, woah

We've been goin' through the motions
There's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line

You and I shouldn't lose our direction
We can't deny, love could use more attention

We've traveled too far to let the feeling fade
This time we can change it 'cause
Dreams and passion are a breath away, woah

We've been goin' through the motions
There's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line

Goin' through the motions
Goin' through the motions
Oh ooh oh ooh oh, oh ooh oh ooh oh
Oh ooh oh ooh oh, oh ooh oh ooh oh

We traveled too far to let the feeling fade
This time we can change it 'cause
Dreams and passion are a breath away, woah woah

We've been goin' through the motions
There's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line

We've traveled too far to let the feeling fade
This time we can change it 'cause
Dreams and passion are a breath away, woah

We've been goin' through the motions
But there's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line

Been, been goin' through the motions
There's more to life, oh ooh oh ooh oh
Than goin' through the motions
Our love's on the line, our love's on the line
Motions, oh, goin' through the motions
