Hey, everybody

Have fun again
I want you to have fun
Have fun again
I want you to have fun

Just like little children
Like the little children
Know how they have fun

Just like little children
Like the little children
Know how they have fun

Meanwhile back at the ranch
You're unhappy, now here is your chance
Don't you let the pressure appear
Make your lifestyle hectic all year

Have fun again
I want you to have fun
Have fun again
I want you to have fun

Just like little children
Like the little children
Know how they have fun

Just like little children
Like the little children
Know how they have fun

Money won't be enough
When the going get's tough, it's rough
Try to cuddle with your business
And you'll see that love is priceless

If you don't believe what I say
Just experiment one day
I think that you will agree
That we need some kind of relief, relief, relief

Have fun again
I want you to have fun
Have fun again
I want you to have fun

Just like little children
Like the little children
Know how they have fun

Just like little children
Like the little children
Know how they have fun

Have fun again
Have fun
Have fun again
I want you to have fun

Just like little children
Like the little children
Know how they have fun

Just like little children
Like the little children
Know how they have fun

Money won't be enough
When the going get's tough, it's rough
Try to cuddle with your business
And you'll see that love is priceless

If you don't believe what I say
Then experiment one day
I think that you will agree
That we need some kind of relief

Have fun, have fun, have fun
Have fun again
Have fun, have fun
I want you to have fun

I want you to have fun again
Have fun
Fun, fun, fun, fun, fun
Fun, fun, fun, fun, fun, fun
Have fun, have fun

Have fun
Have fun
Have fun

Have fun, have fun, have fun
Have fun again
I want you to have fun

Fun, fun, fun, fun, fun
Fun, fun, fun, fun, fun, fun
Have fun

Have fun
Have fun
Have fun
