When I think of home, I think of a place where  
There's love overflowing  
I wish I was home, I wish I was back there  
With the things I've been knowing

Wind that makes the tall trees bend into leaning  
Suddenly the raindrops that fall have a meaning  
Sprinklin' the scene, makes it all clean

Maybe there's a chance for me to go back  
Now that I have some direction  
It would sure have been nice to be back home  
Where there's love and affection

And just maybe I can convince time to slow up  
Giving me enough time in my life to grow up  
Time be my friend, let me start again

Suddenly my world's gone and changed it's face  
But I still know where I'm going  
I have had my mind spun around in space  
And yet I've watched it growing

And if you're listening God  
Please don't make it hard to know  
If we should believe the things that we see

Tell us should we run away  
Should we try and stay?  
Or would it be better just to let things be?

Living here in this brand new world  
Might be a fantasy  
But it taught me to love  
So it's real, real to me

And I've learned  
That we must look inside our hearts  
To find a world full of love  
Like yours, like mine, like home
