I'M STILL WAITING - 21/08/1971

4 weeks at #1 - 14 weeks on chart

I remember when I was five and you were ten, boy
You knew that I was shy so you teased and made me
cry
But I loved you
Then one day you came you told me you were leaving
You gave your folks the blame and made me cry again
When you said

Little girl please don't wait for me
Wait patiently for love
Someday it will surely come
Ooh, little girl please don't wait for me
Wait patiently for love
Someday it will surely come
And I'm still waiting

I'm waiting
Ooh, still waiting
(I'm just a fool)
Ooh, I'm a fool
(I'm just a fool to keep waiting)
To keep waiting (I'm just a fool) for you
(I'm just a fool) oh I'm waiting
(I'm just a fool) I'm still waiting
(I'm just a fool to keep waiting) for love
(I'm just a fool) for you (I'm just a fool)

Then someone finally came he told me that he loved
me
I put him off with lies, he could see I had no eyes
So he left me
Once again alone like a child without her playmate
I had to face the truth I was still in love with you
But you said

Little girl please don't wait for me
Wait patiently for love someday it will surely come
Ooh, little girl please don't wait for me

Wait patiently for love someday it will surely come
And I'm still waiting

Love has never shown his face
Since the day you walked out that door
You filled my life with empty space
Come back
Can't you see it's you I'm waiting for

(I'm just a fool)
Don't you know I'm waiting
(I'm just a fool to keep waiting)
I'm waiting (I'm just a fool) for love
(I'm just a fool)
For you (I'm just a fool) I miss you
(I'm just a fool to keep waiting)
I'm waiting
(I'm just a fool)
Come on back, boy
(I'm just a fool)
Come back, come back, come back boy
(I'm just a fool to keep waiting)
I need you
(I'm just a fool)
I want you
(I'm just a fool)
That's what my friends says
