I cried for you
Now it's your turn to cry over me
Every road has a turning
That's one thing I'm learning

I cried for you
What a fool I used to be
Now I found two eyes a little bit bluer
I found a heart just a little bit truer

I cried for you
It's your turn to cry over me

I cried for you
What a fool I used to be
Every road has a turning
That's one thing I'm learning

I cried for you
What a fool I used to be
Now I found two eyes a little bit bluer
I found a heart just a little bit truer

I cried for you
It's your turn to cry over me

I cried for you
Your turn to cry over me
Every road has a turning
That's one thing I'm learning

I cried for you
What a fool I used to be
Now I found two eyes a little bit bluer
I found a heart just a little bit truer

I cried for you
It's your turn to cry over me
