Ooh, it's over, it's over, ooh, hey
Oh, baby, it's over, it's over baby

I want you the right way
And I want you, but I want you to want me too
Want you to want me baby
Just like I want you, ooh

I'll give you all the love I want in return, sweet darling
But half a love is all I feel
Ooh, it's too bad, just too sad you don't want me now
But I'm gonna change your mind somehow, oh baby

I want you the right way
I want you, but I want you to want me too
I want you to want me baby
Just like I want you, oh

One way love is just a fantasy, oh sugar
To share is precious, pure and fair, oh
Don't play with something you should cherish for life,
oh baby
Oh, don't you wanna care? It's lonely out there

Oh, I want you the right way
I want you, babe, but I want you to want me too
Oh, I want to get down baby
When I, when I get down with you, yeah

I want you the right way
I want you, babe, but I want you to want me too
I want you baby
Just like I want you, oh

Get down babe, have mercy darling
Listen darling, I love you, I love you
And I want you babe, to get down babe
When I get down with you, oh

I want you babe, I want you babe
I want you, but I want you to want me too, oh
Oh, I love you, hey, just like I want you

Oh, you gotta get down baby
