Im coming out
Im coming
Im coming out
Im coming out
Im coming out
Im coming out

Im coming out
I want the world to know
Got to let it show
Im coming out
I want the world to know
I got to let it show

There's a new me coming out
And I just had to live
And I wanna give
Im completely positive
I think this time around
I am gonna do it
Like you never do it
Like you never knew it
Ooh, I'll make it through

The time has come for me
To break out of the shell
I have to shout
That Im coming out

Im coming out
I want the world to know
Got to let it show
Im coming out
I want the world to know
I got to let it show

Im coming out
I want the world to know
Got to let it show
Im coming out
I want the world to know
I got to let it show

Ive got to show the world
All that I wanna be
And all my billities
There's so much more to me
Somehow, I have to make them
Just understand
I got it well in hand
And, oh, how Ive planned
Im spreadin love
There's no need to fear
And I just feel so glad
Everytime I hear:

Im coming out
I want the world to know
Got to let it show
Im coming out
I want the world to know
I got to let it show
