I'm coming out, I'm coming  
I'm coming out

I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show

I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show

There's a new me coming out, I just have to live  
And I wanna give, I'm completely positive  
I think this time around, I am gonna do it  
Like you never knew it, oh, I'll make it through

The time has come for me to break out of the shell  
I have to shout, "I am coming out"

I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show

I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show

I've got to show the world all that I wanna be  
And all my abilities, there's so much more to me  
Somehow, I have to make them just understand  
I've got it well in hand and, oh, how I've planned

I'm spreadin' love, there is no need to fear  
And I just feel so good everytime I hear

I'm coming out, I want the world to know  
Got to let it show, yes  
I'm coming out, I want the world to know

Got to let it show

I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show

I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show

I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show

I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show

I'm coming, I want the world to know  
I got to let it show, I'm coming out
