The best things in life are free  
But you can give them to the birds and bees  
I need money, that's what I want  
That's what I want, yeah, that's what I want

Your love gives me a thrill  
But your love can't pay my bill  
I need money, that's what I want  
That's what I want, yeah, that's what I want

Money, lots of money  
Whole lot of money, lots of money  
That's what I want, yeah, that's what I want

Money don't get everything it's true  
What it don't get, I can't use  
I need money, that's what I want  
That's what I want, yeah, that's what I want  
That's what I want, yeah, that's what I want

Money, money is what I want  
A whole lot of lean green, that's what I want  
Give me money, money is what I want, that's what I  
want

Well now give me money, wow, money  
Wow, yeah, you need money now, give me money  
That's what I want, yeah, that's what I want, yeah
