I cried for you  
Now it's your turn to cry over me  
Every road has a turning  
That's one thing I'm learning

I cried for you  
What a fool I used to be  
Now I found two eyes  
A little bit bluer  
I found a heart  
Just a little bit truer

I cried for you  
Now it's your turn to cry over me

I cried for you  
Now it's your turn to cry over me  
Every road has a turning  
That's one thing I'm learning

I cried for you  
What a fool I used to be  
Now I found two eyes  
Just a little bit bluer  
I found a heart  
Just a little bit truer

That I cried for you  
Now it's your turn to cry over me
