O little town of Bethlehem
How still we see thee lie
Above thy deep and dreamless sleep
The silent stars go by

Yet in thy dark streets shineth
The everlasting light
The hopes and fears of all the years
Are met in thee tonight

For Christ was born of Mary
And gathered all above
While mortals sleep, the angels keep
Their watch of wondering love

O morning stars together
Proclaim the holy birth
And praises sing to God, the King
And peace to men on Earth

O holy Child of Bethlehem
Descend to us, we pray
Cast out our sin and enter in
Reborn in us today

We hear the Christmas angels
The great glad tidings tell
O come to us, abide in us
Our Lord, precious Lord
Emmanuel, precious Lord
