Ooh,yeah
From rags to riches, here I stand
Shaped and molded by your loving hand
With faith and trust unshaken
You led me all the way
Through years of joy and tears
Im standing here to say

Youre that one love in my lifetime
And if I search this whole wide world
I know I'll never find a love that's stronger
Than an oak tree
That will be standing in the sun
When my life is done, yeah

A carefree girl
I couldnt see
All the future plans darlin
You made for me
You placed the whole world
At my feet
And lit a flame of passion
That burns eternally

Love may come
And love may go
But you're the man that made me
And no one else can change me
Youre my adam, and Im your eve
And if I live a hundred years
I know therell only be
One love in my lifetime
Only one love
Burning in this heart of mine

Youre the one love
In my lifetime
And if I live a hundred years
I know I'll never find
A love that's stronger

Than an oak tree
That will be standing in the sun
When my life is done

One love in my lifetime
Only one love
Burning in this heart of mine
One love
Burning in this heart of mine
One love
