Forever my darlin'
Our love will be true
Always and forever
I'll love just you

Just promise me darlin'
Your love in return
Make this fire in my soul
Forever burn

Forever my darlin'
Our love will be true
Always and forever
I'll love just you

Just promise me darlin'
Your love in return
Make this fire in my soul, dear
Forever burn

My heart's at your command, dear
To keep love and to hold
Making you happy is my desire
Keeping you is my goal

And I'll forever love you
For the rest of my days
I'll never part from you
And your loving ways

No, I'll never part from you
And your loving ways
And I'll never ever part from you
And your loving ways

Yes, yes
Forever my darlin'
I won't love nobody but you
Give me love in return

[Incomprehensible]
