Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can

Take a little time out of your busy day  
To give encouragement  
To someone who's lost the way

Or would I be talking to a stone  
If I asked you to share a problem that's not your own  
We can change things if we start giving, why don't you

Reach out and touch somebody's hand?  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can

If you see an old friend on the street  
And he's down  
Remember his shoes could fit your feet

Try a little kindness you'll see  
It's something that comes very naturally  
We can change things if we start giving

Why don't you  
Reach out and touch somebody's hand?

Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can

Reach out and touch somebody's hand  
Make this world a better place if you can
