I need your sweet, sweet inspiration
I need you here on my mind every hour of the day
Without your sweet, sweet inspiration
The lonely hours of the night just don't go my way

A woman in love needs sweet inspiration
Yeah, and honey that's all I ask, you know that's all I
ask from you
I've gotta have your sweet, sweet inspiration, yeah
You know there just ain't no tellin' what a satisfied
woman might do

When you call me baby, baby is such a sweet
inspiration
And when you call me darlin, darlin', sets my heart to
skating
And if I'm out in the rain, baby, and in a bad situation
You know I just reach back in my mind
And there I find your sweet, sweet inspiration

Sweet inspiration, oh, what a power
And I've got the power every hour of the day
I need your sweet, sweet, sweet sweet inspiration, yeah
To go on living, to keep on giving this way

I need your sweet, sweet sweet, sweet inspiration
(Sweet, sweet, sweet inspiration)
(Sweet, sweet, sweet inspiration)
And I've got the power every hour of the day
(Sweet, sweet, sweet inspiration)
(Sweet, sweet, sweet inspiration)
I need your sweet, sweet inspiration
To go on living, to keep on giving this way
