Watching every motion in my foolish lover's game
On this endless ocean, finally lovers know no shame
Turning and returning to some secret place inside
Watching in slow motion as you turn around and say

You take my breath away
You take my breath away

Watching I keep waiting, still anticipating love
Never hesitating to become the fated ones
Turning and returning to some secret place to hide
Watching in slow motion as you turn to me and say my
love

Take my breath away

Through the hourglass I saw you
In time you slipped away
When the mirror crashed I called you
And turned to hear you say
If only for today I am unafraid

Oh, take my breath away
You take my breath away

Watching every motion in this foolish lover's game
Haunted by the notion somewhere there's a love in
flames
Turning and returning to some secret place inside
Watching in slow motion as you turn my way and say

You take my breath away my love
Take my breath away
You take my breath away
