Someday he'll come along  
The man I love  
And he'll be big and strong  
The man I love  
And when he comes my way  
I'll do my best to make him stay

He'll look at me and smile  
I'll understand  
Then in a little while  
He'll take my hand  
And though it seems absurd  
I know we both won't say a word

Maybe he'll come sunday  
Maybe monday, maybe not  
Still I'm sure he'll come one day  
Maybe tuesday will be  
My good news day

We'll built a little home  
Just meant for two  
From which I'll never roam  
Oh, what would you  
And so all else above  
I'm dreaming of the man I love
