'Cause I fell in love with you  
The first time I looked into  
Them there eyes  
'Cause you have a certain  
Little cute way of flirtin' with  
Them there eyes

They make me feel so happy  
They make me feel so blue  
I'm fallin', no stallin'  
In a great big way for you

My heart is jumpin'  
You started somethin' with  
Them there eyes  
You better look out  
Little brown eyes  
If you're wise

They sparkle, they bubble  
Gonna get you in a whole lotta trouble  
Ooh baby, them there eyes

I fell in love with you  
The first time I looked into  
Them there eyes  
'Cause you have a certain  
Little cute way of flirtin' with  
Them there eyes

They make me feel so happy  
They make me feel so blue  
I'm fallin', no stallin'  
In a great big way for you

My heart is jumpin'  
You started somethin' with  
Them there eyes  
You better look out  
Little brown eyes  
If you're wise

Sparkle, bubble  
Gonna get you in a whole lotta trouble  
Ooh baby, them there eyes
