Ooh, this old heart of mine been broke a thousand
times
Each time you break away I fear you're gone to stay
Lonely nights that come, memories that go
Bringing me back again hurting me more and more

Maybe it's my mistake
To show this love I feel inside
'Cause each day that passes by
You've got me never knowing if I'm coming or going
but I

I love you
This is old heart, darling, weak for you
I love you, yes, I do

These old arms of mine
Miss having you around
Makes these tears inside
Start pouring down

Always with half a kiss
You remind me of what I miss
Though I try to control myself
Like a fool I start grinnin' 'cause my head starts
spinnin' 'cause I

I love you
This old heart, darling, weak for you
I love you, yes, I do, yes, I do

I try hard to hide my hurt inside
This old heart of mine always keeps me cryin'
The way you're treating me leaves me incomplete
You're here for the day, gone for the week now

But if you leave me a hundred times
A hundred times, I'll take you back
I'm yours whenever you want me
I'm not too proud to shout it, I'll tell the world about it
'cause I

I love you
This old heart, darling, weak for you
I love you, yes, I do, yes, I do

I love you
This old heart, darling, weak for you
I love you
This old heart, darling
