A world filled with love is a wonderful sight
Being in love is one's heart's delight
But that look of love isn't on my face
That enchanted feeling has been replaced

As I walk this land of broken dreams
I have visions of many things
But happiness is just an illusion
Filled with sadness and confusion

What becomes of the brokenhearted?
Who had love that's now departed?
I know I've got to find
Some kind of peace of mind, maybe

The fruits of love grow all around
But for me they come a tumbling down
Everyday heartaches grow a little stronger
I can't stand this pain much longer

I walk in shadows searching for light
Cold and alone, no comfort in sight
Hoping and praying for someone who'll care
Always moving and going nowhere

What becomes of the brokenhearted?
Who had love that's now departed?
I know, I've got to find
Some kind of peace of mind, help me, please

I'm searching though I don't succeed
For someone's love there's a growing need
All is lost, there's no place for beginning
All that's left is an unhappy ending

Now what becomes of the brokenhearted?
Who had love that's now departed?
I know I've got to find some kind of peace of mind
I'll be searching everywhere just to find someone to
care

I'll be looking every day

I know I've gonna find a way
Nothing's going to stop me now
I'll find a way somehow

I'll be searching everywhere
Just to find someone to care
