Yes, yes, it is more
It's more than enough to last
Yes, yes, it is more
It's more than enough to last

You've given me so much warmth
I don't see how I could ever grow cold
In my mind there's a picture of you and I
That nobody has the price to buy

I don't know
What made you change your mind
But you'll be back
It's just a matter of time

'Cause what you gave me
Is more than enough to last
Ooh, baby, what you gave me
Is more than enough to last

Yeah, into my life you came
Like a breath of spring
Giving me a song to sing
Though I know you're leaving
I won't be grieving

'Cause time has a way of showing us
The things that we really need
And no matter where you go
I know you'll find your way back home
'Cause though I know it's not reality
You'll always be a part of me

'Cause what you gave me
Ooh, baby, is more than enough to last
What you gave me
Ooh, baby, is more than enough to last
What you gave me
Ooh, baby, is more than enough to last

Yes, yes, it is more
It's more than enough to last

Yes, yes, it is more
It's more than enough to last

Yes, yes, it is more
It's more than enough to last
Yes, yes, it is more
It's more than enough to last

Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last
Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last

Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last
Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last

Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last
Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last

Yes, yes, it is more
(What you gave me, ooh, baby)
It's more than enough to last
