Where did we go wrong
Don't know what to do
How to make things better
Can't stop loving you

You look like I'm invisible
Don't want me you say
Baby I love you
Stop pushing me away

Hold me, move me
Help me go through it
Hold me, oh baby, you can make me do it

I need you here
Close to me tonight
Not asking for forever
Baby just one more time

Dancing in the mirror
Feeling so blue
Don't matter who's right or wrong
All I want is you
Got me acting crazy
Playing the fool
But I would do anything
If I could still have you

How can I live without you
I've been loving you so long
You are my weakness
You keep me hangin' on
I need your arms to hold me
I'm afraid to be alone
Where am I
This empty house is not a home

Hold me, move me
Help me go through it

Hold me, oh baby
Only you can do it
I need you here close to me tonight
I'm not asking for forever
Baby just one more time

You act like I'm invisible
You don't want me you say
Baby I love you, stop pushing me away
I need someone to hold me
Afraid to be alone
Where am I
This empty house is not a home

Down on my knees
Beggin' baby please
I love you
Where did we go wrong
