Every morning when we wake
To make up for that piece of cake
We ate last night
What do you do?
We do what's right, alright

Throw our hands up in the air One foot here And one foot there We're so tight That's alright, alright

Take a look girls
At these numbers
We're still improving
Got these bodies moving
Everybody's gonna hate you
There will be no doubt
Eat your heart out

Don't think we're out of line When all the men around Begin to stop and stare At the hottest girls We're the hottest girls in town
