You think you're so way out  
And you get all the action  
But still you can't find no satisfaction

You specialize in playing the field  
But now that the game  
Has lost its appeal

Baby, try me, I'll make you see  
You ain't livin' until you're lovin', babe  
You ain't livin' until you're lovin', baby  
Ooh, until you fall, you ain't livin' at all  
At all

You like to kiss and run  
And think that's where it is  
'Cause somebody told you  
Love was heartache and tears

You won't take a chance  
On nobody else  
You think you can make it  
All by yourself

Baby, try me and I'll make you see  
You ain't livin' until you're lovin', babe  
You ain't livin' until you're lovin', baby  
Ooh, until you fall, you ain't livin' at all  
At all

To be in love  
I know it's not your ambition  
So before you go  
Think about my proposition

You may conquer the world  
And be king of your throne  
But you still ain't nobody, babe  
When you're sittin' all alone

You ain't livin' until you're lovin', babe  
You ain't livin' until you're lovin', baby

Ooh, until you fall, you ain't livin' at all  
At all

You ain't livin' until you're lovin', babe  
You ain't livin' until you're lovin', baby  
You ain't livin'

Ooh, try me, you ain't livin'  
Ooh, I'll make you see  
You ain't livin'  
Oh, yeah how sweet  
You ain't livin'
