Another day has gone  
I'm still all alone  
How could this be  
You're not here with me

You never said goodbye  
Someone tell me why  
Did you have to go  
And leave my world so cold

Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear  
And says

That you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

For you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
For you are not alone, alone, why

Just the other night  
I thought I heard you cry  
Asking me to come  
And hold you in my arms

I can hear your prayers  
Your burdens I will bear  
But first I need your hand  
Then forever can begin

Everyday I sit and ask myself  
How did love slip away  
Something whispers in my ear  
And says

You are not alone

For I am here with you  
Though you're far away  
I am here to stay  
(I'm here, I'm here, I'm here)

For you are not alone  
(You are not alone)  
I am here with you  
Though we're far apart  
You're always in my heart  
For you are not alone

Whisper three words then I'll come running, hey  
(I'll come running)  
And boy you know that I'll be there  
I'll be there

You are not alone  
For I am here with you  
Though you're far away  
I am here to stay  
(I am here to stay)

For you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
(You're in my heart)

You are not alone  
(You are not alone)  
I am here with you  
(I'm here for you)  
Though we're far away  
I am here to stay

You are not alone  
I am here with you  
Though we're far apart  
You're always in my heart

For you are not alone  
You are not alone
