(k. lupper)

Youre good my child  
Move me, groove me and hold me tight  
Let me feel your love tonight

I don't wanna make it fast  
Got to make it last  
My dear me

Youre good my child  
Day by day you're better  
Show me tonight  
Tear me up, your loves alive  
Mesmerize me,  
Anything that you want it to be  
Ooh baby  
Cant you see whatever you want  
Ill satisfy your every need

You and me  
Ooh, you're good, babe  
Everyday you're good, babe  
Im hoping that you would come  
Spend some time today  
Youre so fine, Im glad you're mine  
Baby, please stay

Youre good my child  
Move me, groove me and hold me tight  
Let me feel your love tonight

I don't wanna make it fast  
Got to make it last  
My dear me

Youre good my child  
Day by day you're better  
Show me tonight  
Tear me up, your loves alive  
Mesmerize me,  
Anything that you want it to be

Ooh, baby  
Cant you see whatever you want  
Ill satisfy your every need

Youre good, babe  
Youre good, babe  
And Im hoping that you would come  
Spend some time today  
Youre so fine, Im glad you're mine  
Baby, please stay  
Youre good, babe

Every day, you're good, babe  
Every day, you're good, babe  
Every day, you're good, babe  
Every day, you're good, babe  
Every day, you're good, babe  
Every day, you're good, babe  
Every day, you're good, babe  
Youre good, babe  
Youre good, babe  
Youre good, babe  
Every day, you're good, babe  
Every day, you're good, babe
