If you need me, call me
No matter where you are, no matter how far
Just call my name, I'll be there in a hurry
On that you can depend and never worry

No wind, no rain
Nor winter's cold
Can stop me, baby, baby
If you're my goal

No wind, no rain
Can stop me, baby
If you're my goal

I know, I know you must follow the sun
Wherever it leads, but remember
If you should fall short of your desires
Remember life holds for you one guarantee, you'll
always have me

And if you should miss my love, one of these old days
If you should ever miss the arms that used to hold you
so close
Or the lips that used to touch you so tenderly
Just remember what I told you the day I set you free

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wild enough
To keep me from you

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wild enough
To keep me from you

Ain't no mountain high enough
Nothing can keep me
Keep me from you

Ain't no mountain high enough
Ain't no valley low enough

Ain't no river wild enough
To keep me from you

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wild enough
To keep me from you

Nothing in this world
Nothing in this world
Can keep me from you, hey
