Oh, babe
Ooh, babe

Hidden here behind four walls, unknown to passers-by
I'm just a soul deprived of love, I've yet to reason why
I've got so much to give someone, so many dreams to share
And a promise of a faithful love if someone would only care

Discover me (discover me)
And you'll discover happiness (oh, baby)
Discover me (discover me)
And you'll discover love, sweet love

A day begins and disappears, I'll go my lonely way
Ooh, thinkin' that tomorrow's gonna be my lucky day
An unacquired love can be a hurtin' thing, it's true
But I can't bear the hurt and pain, baby, until you

Discover me (discover me)
And you'll discover happiness (oh, baby)
Discover me (discover me)
And you'll discover love, sweet love

Oh-oh-oh-oh
Oh-oh-oh-oh

Could it be I'm placin' all my values much too high,
Savin' all my lovin' for that very special guy?
And yet I feel there's someone who belongs to me
alone,
That unforeseen lover who can claim me for his own

Discover me (discover me)
And you'll discover happiness (oh, baby)
Discover me (discover me)
If you need lovin' (oh, baby)

Discover me, babe (discover me)
Oh, babe (oh, baby)

If you need lovin' (discover me)
Ow, discover me, (oh, baby) discover me
Discover me, babe (discover me)
Ooh, babe (oh, baby)
If you need lovin' (discover me)
Ow, discover me (oh, baby)
Ow, discover me (discover me)
Ooh, babe (oh, baby)
If you need squeezin' teasin'
(fade out)
