Does your mama know about me?  
Does she know just what I am?  
Will she turn her back on me  
Or accept me as I am?

And what about your dad?  
Did you think of what he'll say?  
Will he be understanding  
Or does he think the usual way?

Maybe I shouldn't worry  
But I've been through this before  
And I'd like to get things straight  
Before I'm knocking on your door

Does your mama know about me?  
Does she know just what I am?  
If she says forget about me,  
Do you think you'll understand?

And what about your friends?  
Do you care what people say?  
Will you accept the burdens  
I know will surely come your way?

Maybe I shouldn't worry  
But I've been through this before  
And I'd like to get things straight  
Before I'm knocking on your door

Does your mama know about me?  
Does she know just what I am?  
Will she turn her back on me  
Or accept me as I am?

Oh, we've got to stand tall,  
Tumble, and crawl  
We've got to be strong  
For a love that's so right  
Can't be wrong  
And every day, I see it grow

I don't wanna let it go  
That's why I gotta know

Does your mama know about me?  
Does she know just what I am?  
Does your mama know about me?  
Does she know just what I am?  
(repeat and fade out)
