He can turn the tides  
And calm an angry sea  
He alone decides  
Who writes a symphony

He lights ev'ry star  
That makes our darkness bright  
He keeps watch all through  
The dark and lonely night

He still finds the time  
To hear a child's small prayer  
Saint or sinners call  
They always find Him there

Though it makes him sad  
To see the way we live  
He'll always say  
"I forgive"

He can turn the tides  
And calm the angry sea  
He alone decides  
Who writes a symphony

And He lights ev'ry star  
That makes our darkness bright  
He keeps watch all through  
The dark and lonely night

He still finds the time  
To hear a child's small prayer  
Saint or sinners call  
They always find Him there

Though it makes him sad  
To see the way we live  
He'll always say  
"I forgive"

He says, "I forgive"
