Doo doo doo doo, doo doo doo doo doo doo  
Doo doo doo doo doo doo

Ooooooooooh-oooh  
Sunny boy,  
Now, let me tell you how much good  
You've done me, boy  
'Cause when I'm feeling low,  
You give me plenty joy  
Into each life, some rain must fall  
But with you here, there's no rain at all

Ooooooooooh-oooh  
Sunny boy (hey, sunny boy),  
Looks good in everything  
From silk to corduroy (or more hair)  
To see him, I'd walk from Idaho  
To Illinois (or anywhere)  
Do anything to be with him  
My sunshine when the world is dim is

Sunny boy (sunny boy)  
Sunny boy (sunny boy)  
My pride and joy (pride and joy)  
Sunny boy (sunny boy)

Doo doo doo doo, doo doo doo doo doo doo  
Doo doo doo doo doo doo

Ooooooooooh-oooh  
Ooh-oooh-oooh

Ooooooooooh-oooh  
Sunny boy (hey, sunny boy)  
You made my life so sweet  
It's just like honey, boy (like honey, boy)  
And I love you so much  
'Til it ain't funny, boy (ain't funny, boy)  
My cloudy days have been declining  
Since you're here, so keep on shining

Sunny boy (hey, sunny boy)  
Ooh, sunny boy (sunny boy)  
My pride and joy (pride and joy)  
Hey, sunny boy (sunny boy)  
My honey boy (honey boy)  
Now, only your sweet love  
Can give me joy (pride and joy)  
I'm trying to tell the world That you're my sunny boy  
(fade out)
