Brr, do, do, da, do, do
Brr, do, do, da, do, do, oo
Brr-ooo, brr, ooo, brr-ooo
Da, oo, da, oo, da, oo, da, oo, brr-ooo

Goodbye my love, happy life, my love
I'm tired and I just can't take no more
Tired of being tough 'cause enough is enough
This time I'm really headed for the door

You better believe, I'm gonna let my heart do the
walking
Walk me into something good
(So good, so good)
I'm gonna let my heart do the walking
(Do the walking)
Oh, it ain't no make believing, my heart's set on leaving

You take my very best and give me less
I'm tired and I just can't take no more
Your love is unstable and darling I'm unable
Gonna ease on out the door

You better believe, I'm gonna let my heart do the
walking
Walk me into something good
(So good, so good)
I'm gonna let my heart do the walking
(Do the walking)
Oh, I never thought I could but I'm leaving for good

Gonna let it do the walking, baby
(Do the walking)
I'm gonna let it do the walking baby
(Do the walking)

Oh, oh, oh

Walk on heart, walk on, walk on heart, tip on out the
door
Walk on heart, walk on, walk on heart, tip on out the
door

Walk on heart, walk on, walk on heart, walk on out the
door
With your bad self

I'm gonna let my heart do the walking
Walk me into something good
(So good, so good)
I'm gonna let my heart do the walking
(Do the walking)
I never thought I could but I'm leaving for good

I'm gonna let it do the walking, baby
(Do the walking)
Walk me into something good
(So good, so good)

Let my heart do the walking
