Love is here
(Love is here)
And oh my darling, now you're gone
(Now you're gone)

Love is here
(Love is here)
And oh my darling, now, now you're gone
(Now you're gone)

You persuaded me to love you
And I did but instead of tenderness
I found heartache instead
Into your arms, I felt so unaware
Of the loneliness that was waiting there

(Look what you've done)
You close the door to your heart
(Look what you've done)
And you turned the key
Locked your love away from me

Love is here
(Love is here)
And oh my darling, now you're gone
(Now you're gone)

You made me love you
(You made me love you)
And oh my darling, now you're gone
(Now you're gone)

You said loving you would make life beautiful
With each passing day
But as soon as love came into my heart
You turned and you walked, just walked away

(Look what you've done)
You stripped me of my dreams
(Look what you've done)
You gave me faith, then took my hope
Look at me now

Look at me
See, what loving you has done to me
Look at my face
(Look at my face)
See, how cryin' has left it's trace
(Left it's trace)

After you made me all your own
(You made me all your own)
Then you left me all alone
(You left me all alone)
You made your words sound so sweet
Knowing that your love I couldn't keep

(Look what you've done)
My heart cries out for your touch
(Look what you've done)
But you're not there
And the lonely cry fades in the air

Love is here
(Love is here)
And oh my darling, now you're gone
(Now you're gone)

Love is here
(Love is here)
And oh my darling, now you're gone
(Now you're gone)

You made me love you
(You made me love you)
Oh, my darling, now you're gone
(Now you're gone)

You made me love you
(You made me love you)
Oh, my darling, now you're gone
(Now you're gone)

You made me love you
(You made me love you)
