The love bug done bit me, didn't mean for him to get me

Woo, get up in the morning and I'm filled with desire
No, no, I can't stop the fire, love is a real life wire
Ooh, it's a burning sensation far beyond imagination

Love is like an itching in my heart, tearing it all apart
Just an itching in my heart and baby, I can't scratch it
Keeps me sighing, ooh, keeps me yearning

No, mama can't help me, no, daddy can't help me
I've been bitten by the love bug
And I need some information to help me out this situation

Now, when you're ill you take a pill, when your thirsty,
drink your fill
What you gonna, oh yeah do, when love gets a hold, a
hold on you?
Love is like an itching in my heart and baby, I can't
scratch it
Love is a nagging irritation, causing my heart
complication
Love is a growing infection and I don't know the
correction
Got me rockin' and areelin' and I can't shake the feelin'

Love is like an itching in my heart, tearing it all apart
Just an itching in my heart baby, I can't scratch it
Keeps me sighing, ooh, keeps me yearning, keeps me
burning
Keeps me tossing, keeps me turning, keeps me
yearning

I've been bitten by the love bug
And I need some information to help me out this
situation
Love is a nagging irritation causing my heart
complication
I've been bitten by the love bug
