Capricorn, Scorpio
Taurus, Gemini, Virgo, Cancer
Pieces, Leo, Libra, Aries
Aquarius, Sagittarius

The moon shines bright above
And the charts declare it's not my night for love
Ah, deep in my heart, I feel a good vibration
Saying you and me baby would make a good
combination

There's no need to look in to the skies
Can't you see the stars shine in my eyes
I love you, boy, I really love you, boy

No matter what sign you are
You're gonna be mine, you are
Can't let astrology chart our destiny

No matter what sign you are
You're gonna be mine, you are
The beat of the heart, my love
Is stronger than the chart, my love

Good vibrations
Good combination

Your water sign just lit my fire
You fill me with such desire
I love you, boy, I really love you, boy

No matter what sign you are
You're gonna be mine, you are
Can't let astrology chart our destiny

Oh, no matter what sign you are
You're gonna be mine, you are
I need you beside me love
Only you can guide my love

Capricorn, Scorpio
Taurus Gemini, Virgo, Cancer

Pieces, Leo, Libra, Aries

I don't care about your rising sign
All I know is when your lips touch mine
You move me, boy, you really move me, boy

No matter what sign you are
You're gonna be mine, yes, you are
Hold me tight

Ah hold me, hold me, hold me, hold me
Hold me tight, only you can make it right
You are my guiding light

Ah hold me, hold me, hold me, hold me
Hold me tight, only you can make it right
You are my guiding light
