Sweet thing, you make my heart sing
You turn darkness into light, you make everything
alright
Sweet thing, you make the bells ring
Ding dong and sweet and true, attaching me to you

(Sweeter than the taste of sugarcane)
No sugarcane could be as sweet as you are to me
(Sweeter than whatever you can name)
Like candy, cake or honey, wouldn't give you up for
love or money

Sweet thing, you are my everything
You're all I need and more than my heart had
bargained for
Sweet thing, you are what's happening
You're just a bundle of happiness and love

(Sweeter than the taste of honey dew)
A honey-dew male is sweet, it's true
But it just ain't quite as sweet as you
(Sweeping is the way they measure you)

I look at the scale [Incomprehensible]
I have more sweetness inch for inch
I have more sweetness pound to pound
Than any other sweet thing I have found

Sweet thing, sweet, sweet thing
Sweet thing, sweet, sweet thing

(Sweeter than the taste of honey dew)
A honey-dew male is sweet, it's true
But it just ain't quite as sweet as you
(Sweeping is the way they measure you)

I look at the scale and [Incomprehensible]
I have more sweetness inch for inch
I have more sweetness pound to pound
Than any other sweet thing I have found

Sweet thing, you are what's happening

You're just a bundle of happiness and love
Say it, sweet thing, you are my everything
You're all I need and more than my heart had
bargained for

Sweet thing, you make my heart sing
You turn darkness into light, you make everything
alright
Sweet thing, you make the bells ring
Ding dong, and sweet and true, attaching me to you
