Hey life look at me, I can see the reality  
Cause when you shook me, took me out of my world  
I woke up, suddenly I just woke up to the happening.

When you find that you left the future behind  
Cause when you got a tender love you don-t  
Take care of, then you better beware of the happening.

One day you-re up, then you turn around  
You find your world is tumbling down  
It happened to me and it can happen to you.

I was sure, I felt secure, until love took a detour  
Yeah, riding high on top of the world  
It happened, suddenly it just happened.

I saw my dreams fall apart, when love walked away  
from  
my heart  
And when you lose that precious love you need to  
guide  
you  
Something happens inside you, the happening.

Now I see life for what it is  
It-s not all dreams, it-s not all bliss  
It happened to me and it can happen to you  
Once!

Ooo, and then it happened  
Ooo, and then it happened  
Ooo, and then it happened  
Ooo, and then it happened.

Is it real, is it fake, is this game of life a mistake  
Cause when I lost the love I thought was mine  
For certain, suddenly I started hurting.

I saw the light too late, when that fickle finger of  
fate  
Yeah came and broke my pretty balloon

I woke up, suddenly I just walked up to the happening.

So sure, I felt secure, until love took a detour  
Cause when you got a tender love you don-t  
Take care of, then you better beware of the happening.
