Come with me and we shall run across the sky  
And illuminate the night  
Oh, I will try and guide you to better times and brighter  
days  
Don't be afraid to go

Up the ladder to the roof  
Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be closer to heaven

Stay with me and we shall let expression sing  
Did you hear ringing, ohh?  
Yesterday's broken dreams  
Don't you know they all fade away  
If you, if you, if you go

Up the ladder to the roof  
Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be, oh, closer to heaven

Relax, I'll tell you the story of love  
How it is and the happiness in it, baby  
We'll combine our thoughts  
And together we'll travel the roads  
To the fountain of loveliness

I will never, ever, ever leave you  
Leave you alone to wander  
As we go on our [Incomprehensible] it will grow  
Much stronger and stronger  
Don't you wanna go

Up the ladder to the roof  
Where we can see heaven much better?  
Go up the ladder to the roof  
Where we can be closer to heaven

Oh, up the  
Oo, up the  
Oh, come on and walk

Come on and talk  
Come on and sing about love and [Incomprehensible]

Up the ladder to the roof  
See the heaven
