Take a chance, take a chance  
Take a chaka-chance-chance  
(repeat twice)

If you change your mind  
I'm the first in line  
Honey I'm still free  
Take a chance on me  
If you need me  
Let me know  
Gonna be around  
If you got no place to go  
When you're feeling down

Friday night and the lights are low  
Looking out for a place to go  
Where they play the right music  
Getting in the swing  
You come to look for a king

Anybody can be that guy  
Night is young and the music's high  
With a bit of rock music  
Everything is fine  
You're in the mood for a dance  
And when you get the chance

You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine, oh yeah  
You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Diggin' the dancing queen

I've been cheated by you  
Since I don't know when  
So I made up my mind  
It must come to an end  
Look at me now

Will I ever learn  
I don't know how  
But I suddenly lose control  
There's a fire within my soul  
Just one look and you can hear a bell ring  
One more look, and I forget everything

Ohh-oh, mamma mia, here I go again  
My, my, how can I resist ya?  
Mamma mia does it show again  
My, my, just how much I've missed ya

So I say thank you for the music  
The songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it  
I ask in all honesty, what would life be  
Without a song or a dance what are we  
So I say thank you for the music  
For giving it to me

So I say thank you for the music  
The songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it  
I ask in all honesty, what would life be  
Without a song or a dance what are we  
So I thank abba for the music  
For giving it to me
